## Five Strong Herds Combine Forces

Mississippi State University has done a great job in familiarizing cattlemen of this area with top Shorthorns. The heifer on the left sells in their consignment.

**I**n any undertaking people go further when they pool their strength.

Any of the herds participating in this sale could conceivably hold a sale by itself. However, by taking the very best from each we believe we can present an offering that will make every breed enthusiast proud.

**On the front cover . . .** Three of the bulls selling in this sale. Left to right, WaWylo Juggler's Type 42nd x, Lot 3; WaWylo J Type 5th x, Lot 2; and WaWylo Masterkey x, Lot 4. This picture was selected as the cover subject of the March 1, 1961 issue of **The Shorthorn World**.

Practically all of the pictures in this catalog are unretouched amateur photographs.

## WAWYLO FARMS

W. H. & Walter Dilatush, Millington, Tenn.

Eight bulls . . . seventeen female lots.

## MISSISSIPPI STATE UNIVERSITY

State College, Miss.

Three bulls . . . six female lots.

## RED LINE FARMS

R. B. & A. V. Stimson, Dumas, Ark.

Two bulls . . . six female lots

## EL-BROOK FARM

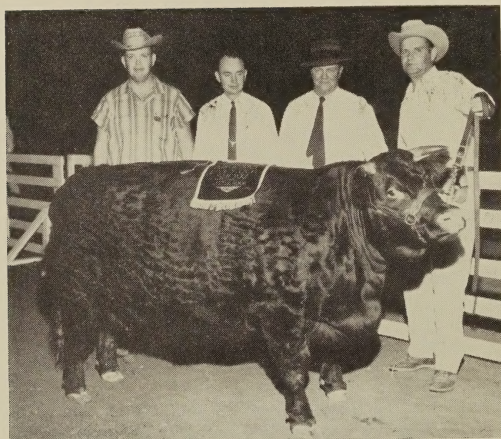

Ray Peebles & Son, Smithville, Ark.

Two bulls . . . six female lots

## ELAM BAR FARMS

Sherrill Parks, Obion, Tenn.

Two bulls . . . three female lots.

Left—Redline Flossie by Calrossie Talisman, grand champion at the 1960 Arkansas and Louisiana state fairs for R. B. & A. V. Stimson, Dumas, Ark. Left to right, Ned Purtle, superintendent of Arkansas Livestock Show; Bob Totusek, judge; R. B. Stimson and Richard Yarnell, both of Redline Farm.

Photograph taken in the spring of 1960 showing Scotsdale Polaris and a group of Juggler's Type daughters at WaWylo.

## *Welcome to WaWylo Farm . . .*

This catalog extends to you our most cordial invitation to attend the third WaWylo production sale, April 5. Always, we feel honored when friends of Shorthorns and Polled Shorthorns visit WaWylo . . . and those who come to look and learn are just as welcome as those who come to buy.

This year we are especially honored to have four of the very best Shorthorn and Polled Shorthorn herds in our area join us in this sale. Each of these herds has a fine record of accomplishment in its own right. Each is presenting a strong offering . . . a rare opportunity for the purchase of cattle of the highest quality. Our endeavor in this sale is to establish a fountainhead for foundation cattle for purebred breeders throughout the land.

For our part, the 25 head being offered by WaWylo were all bred by us and are by far the finest we have ever produced in our 16 years of breeding Polled Shorthorns. We have limited our footnotes to facts and simple descriptions. The pedigrees speak for themselves. It is a source of great satisfaction to see the cattle sold in our two previous sales doing well and enhancing the herds into which they have gone.

We hope you will plan to arrive a day early to study the offering and to visit with us. We will be most happy to arrange overnight accommodations near the farm for all who request them. All of us are looking forward to your visit.

**W. H. & WALTER DILATUSH**  
Ross Evins, Herdsman.

## GENERAL SALE INFORMATION

**TIME:** Sale at 12:30 p.m., Wednesday, April 5, 1961. Plan to arrive early, the day before, if possible. The cattle will be outside where you can see them leisurely.

**LUNCH:** Lunch will be available at the farm.

**LOCATION:** WaWylo Farm is located 14 miles north of Memphis, Tenn. or 3 miles northwest of Millington, Tenn. To reach the farm from Memphis, take U.S. 51 north, see farm sign on U.S. 51, 1/2 mile north of Millington, Tenn. and this sign will direct you to the farm. We ask all who travel by train or plane to advise us in advance so that we can meet them in Memphis.

**HEADQUARTERS:** Rip Van Winkle Motel just three miles from WaWylo Farm on U.S. 51 in Millington, Tenn. A modern, comfortable Motel with sound proof rooms, room phones, swimming pool and 24-hour restaurant, also, there is a Holiday Inn Motel on U.S. 51, north of Memphis and 11 miles from the farm.

**FARM PHONE:** Millington, Tenn. CA 3-3143.

**TRANSPORTATION:** Transportation will be provided to and from Memphis Airport and Railroad Station. Please notify us of your plans.

**GUARANTEE:** All cattle will be sold under the Standard Guarantee of the American Shorthorn Breeders' Association.

**HEALTH:** The cattle will be tested for T. B. and Bang's within 30 days of the sale, with the exception of under aged vaccinated heifers in which case vaccination and certificates will be provided. Interstate health charts will be provided out-of-state buyers. Since regulations differ all buyers must be aware of the regulations of their own state.

**SALE MANAGER:** Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

**LANDING STRIP:** Millington Municipal Airport is shown on air maps as Field 21. It is a hard surfaced runway.

**MAIL BIDS:** Those wishing to buy who cannot be present at the sale may send bids to any of the following:

C. D. Swaffar, Secretary, American Shorthorn Assn., Union Stockyards, Omaha, 7, Nebraska.

R. G. Heine, American Shorthorn Assn., R 4, Box 100B, Gainesville, Fla.

Don Longley, The Shorthorn World, 16 So. Locust St., Aurora, Ill.

Bob Baker, The Livestock Weekly, 248 Madison Ave., Memphis 3, Tenn. or to any of the consignors or auctioneers.

**AUCTIONEER:** Dick Kane, Wisner, Nebraska.

**REGISTRY:** A certificate of registry will be provided for each animal sold properly transferred to the new owner. Applications for registry will be provided for each calf sold in dam.

Where footnotes appear in this catalog they were written from information supplied by the owners.

We shall not be liable for any accidents that may occur, but will make every effort to provide for the safety and comfort of those attending. Accidents at cattle sales are rare, but all attending must do so at their own risk. The guarantee and terms shall constitute a contract between the buyer and seller of each lot. The sale manager was retained for specific tasks promotional and clerical and has nothing to do with the handling of the cattle or the condition of the premises. Neither the sale manager, clerk, or auctioneers can assume any liability.

Sherrill Parks and his Reserve Champion Female, 1961 National Western Shorthorn Sale, Denver. Parks also had the reserve champion bull. He is the first Shorthorn breeder from the Mid-South to exhibit at Denver in many years.

Practically everyone reading this realizes full well the tremendous potential of our breed in all areas. Everywhere cattlemen are considering cross-breeding to take advantage of the vigor nature provides with an outcross. The natural swing is to Shorthorns and Polled Shorthorns.

Fundamental in achieving this expansion are progressive breeders who will continue to produce an ever better product . . . and well promoted auctions that will display this product. I believe this sale is going to fill an important need in both of these particulars.

No one stands still in the cattle business. You either move forward as rapidly as your 100% best effort will permit . . . or by standing pat you fall behind. The seed to help move forward is available in this sale to those who will take advantage of it.

In the two previous WaWylo sales, I felt buyers received tremendous value for their money. This is an even stronger offering. Stronger because the breeders consigning have never been the kind to stand still . . . stronger because five excellent herds are pooling their efforts.

**Don Longley**  
**The Shorthorn World.**

## SCOTSDALE POLARIS

For selective breeding in the WaWyo herd . . . and, in particular, on the daughters and granddaughters of the 100% dehorned, Juggler's Type x . . . late in 1959 we purchased this young bull from S. G. Bennett, Scotsdale Farms, Georgetown, Ontario. His dam, the top selling open heifer at Perth, was purchased by Bennett and left at Bapton to be mated to Bapton Roan Robin. Scotsdale Polaris was the result.

This is the blood that has been writing Shorthorn history. Although the \$50,000 Bapton Constructor has, and continues, to sire many outstanding bulls, Bapton Roan Robin, his first son, is perhaps the leading sire of all his sons. Louada themselves selected a Bapton Roan Robin son to follow in their herd. Another Roan Robin son was Grand Champion of the 1960 Canadian National; another Grand Champion at Harrisburg, Eastern National, Ohio; another Grand Champion at the recent Denver show . . . and the list could go on and on.

Many of our most respected Shorthorn breeders and judges who saw Scotsdale Polaris at our Tennessee Association field day last summer and at other times have been greatly impressed. We feel certain you too will be impressed when you see him on sale day in his working clothes.

Our offering features his service. Eleven sale females are bred to him. His first calves arrive in July.

# SCOTSDALE POLARIS 3040-392

White. Bred by Cecil Moores, Oldmeldrum, Aberdeenshire, Scotland. Calved Feb. 13, 1959, property of S. G. Bennett, Georgetown, Ontario, Canada. Third owner, Dec. 1, 1959, Walter Dilatush, Millington, Tenn.

JUGGLER'S TYPE (unretouched amateur snapshot).

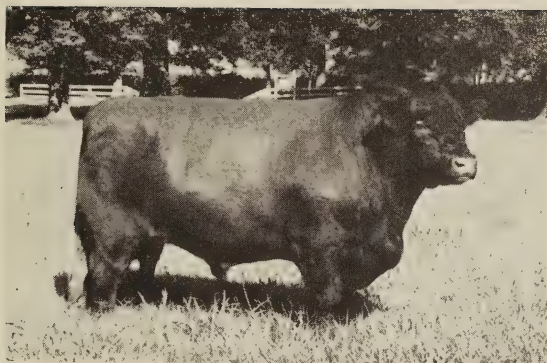

## JUGGLER'S TYPE

By far the greatest sire that it has been our privilege to own. We rate him great not because he has sired a number of champions, but because all of his calves are uniformly good headed, good bodied, good doing cattle. His calves scattered throughout the Southeast and Southwest are proving him to be a greater sire today than he was five years ago when we first offered his calves.

Very important is the factor that he is a 100 per cent dehorner. This has enabled us to use a lot of good horned breeding to improve our polled cattle. A number of his sons have been 100% dehorners, one of which, WaWylo Juggler's Type 23rd x, sells in this sale as Lot 1.

Breeders of other breeds, as well as many of our own breeders, have stated he is certainly a close approach to the model for which all breeders are striving. Three of his sons, five grandsons, six daughters, six granddaughters, sell in this sale.

WaWylo Juggler's Type 23rd x.

**El-Brook Gipsy Maid 18th x**

**1959 International Grand Champion  
Polled Shorthorn Female.**

**Bred by Ray Peebles & Son, Smithville, Arkansas.  
Exhibited by Thieman's Polled Shorthorns,  
Concordia, Missouri.**

**Above in photo: Left to right, Earl Peebles, Mrs. Harold Thieman, Jess Peebles, Charles Nickel, and Harold Thieman.**

The honor of breeding an International Grand Champion comes to just a few breeders in their lifetime. Certainly the heifer above was one of the most popular International champions of all time. She was bred by Ray Peebles & Son.

More important to this sale is that this 1959 champion was just the start of a great group of calf crops by her sire, Hallwood Royal Nevada. In this sale the Peebles are selling two sons, three daughters, three females bred to him. One, Lot 18, is a full sister to the International Grand Champion.

The Peebles have been breeding quality Polled Shorthorns for many years. This will be the strongest quality consignment ever to leave their farm.

WAWYLO TYPE'S LADY x—An intensely polled daughter of Juggler's Type. A full sister to the bull that's heading the fine herd of C. E. West at Colt, Arkansas. To calve August 10th to Scotsdale Polaris. Calfhood vaccinated.

Sherrill Parks with his Reserve Grand Champion Bull, 1961 National Western Sale, Denver. This son of Pittodrie Monarch was purchased for \$1,150 by E. E. Davidson & Son, Americus, Kansas.

A herd on the go . . . is certainly a phrase that can be appropriately used to describe the Sherrill Parks, Elam Bar herd. In the past year, for example, they have made consignments to the Southeastern Regional in Georgia, the Tennessee State Sale, and the National Western Sale in Denver, Colorado. In each instance they have had at least one champion.

In November, 1960, Parks again made nationwide news by purchasing the entire Nordic Farms herd. This was owned by Chicago insurance executive Edward Peterson who had purchased top females in the United States, Canada, and Scotland.

Elam Bar Souvenir Centurian. Grand Champion bull, 1959 Mid-South Fair; 1960 Southeastern Regional Spring Sale. This son of Louada Centurian now heads the well known Jacklen Polled Shorthorn herd in Florida. Sherrill Jr. and Jane Parks are shown with Mr. and Mrs. Sherrill Parks.

A few of the females at Nordic Farms, Elkhorn, Wisconsin. This entire herd was purchased in November by Sherrill Parks.

NORDIC GLADSOME—In November we bought the entire Nordic herd. They used the \$8,000 Pittodrie Monarch. Here is a beautiful granddaughter . . . foundation calibre . . . out of a grand imported cow.

Mr. and Mrs. Robert Stimson,  
owners of Red Line Farms, Dumas,  
Arkansas.

It was a good day for the Shorthorn breed back in 1955 when Bob Stimson purchased the entire 115 head Ray Yarnell herd. This was one of the strong herds of the breed in the Southwest and Mid-South area . . . it has been made stronger under the aggressive direction of the Stimsons.

The high regard in which Bob Stimson is held by Shorthorn breeders everywhere was demonstrated at the recent annual meeting of the American Shorthorn Association where he was elected to serve on the National Board of Directors.

Calrossie Talisman. He was the chief herd sire in the well known C. M. Caraway & Sons herd, DeLeon, Texas. Red Line Farms acquired him in the Caraway Dispersion. Lot 44 is one of his last daughters.

Leveldale Career. First son of the \$13,000 Leveldale Oberon. This bull is doing a fine job at Redline Farms. They feature his get and service in this sale. Calfhoo photograph.

REDLINE AUGUSTA 3rd—Here is a good young cow with a lot of character and a good individual from a top family. Bred to Leveldale Career between July 1 and Feb. 9. Examined and safe in calf.

Heifers at Mississippi State University. The heifer on the extreme left is Lot 50 in this sale. The others are half sisters to the others in their consignment.

For the good of the breed, there is no more important place for a top Shorthorn herd than at Mississippi State University. Here you will find Shorthorns of great depth, smoothness and character. They have been extremely fortunate in securing herd bulls . . . one after another . . . that have proved to be outstanding sires.

Every consignment made by Mississippi State have greatly strengthened the sale, in which they were offered. They believe in this sale, and its future, and have given us eight of their very best.

The heifer at left is M S U Victoria, Lot 50 in this sale.

Lot 50, Female

MSC Victoria 12 2881653

Broadlawn Victoria 17 2580695

MSU Victoria 25th—This is the best individual we have offered for sale. Many breeders have said that she is a better female than her  $\frac{3}{4}$  sister that was champion female at the 1960 Mississippi State Fair, reserve champion at the 1960 Houston and Mid-South Fairs. We have a full brother, MSU Elation, that we plan to use in our breeding program. Her dam is the most admired daughter of the "Good News" bull in our breeding herd. Her granddam has been one of the top producing and milking cows that we obtained from the Metz herd in Iowa. She sells bred to Kickapoo Charger since July 20, 1960. Calfhood vaccinated.

Kickapoo Charger. Stood fourth in a class of 22 junior bull calves at the 1958 International. In service at Mississippi State. Most of their sale females are bred to him.

M S U Collynie 3d. Grand champion female, 1960 Mississippi State Fair. Reserve champion, 1960 Mid-South Fair. Sire, Edellyn Brisket. Dam by Hillcroft Good News 2d.

MSU MISS SECRET 3d—A full sister to the senior yearling bull which was third in his class at the strong 1958 International. We have retained two full sisters in our breeding herd. Calfhooed vaccinated and bred July 3 to Kickapoo Charger.

This picture was taken prior to the 1958 WaWylo sale. Left to right, Walter Dilatush, Henry Coleman Dilatush, Mr. and Mrs. W. H. Dilatush and Mrs. Walter Dilatush, who is the daughter of Mr. and Mrs. T. C. Potts, Crenshaw, Mississippi.

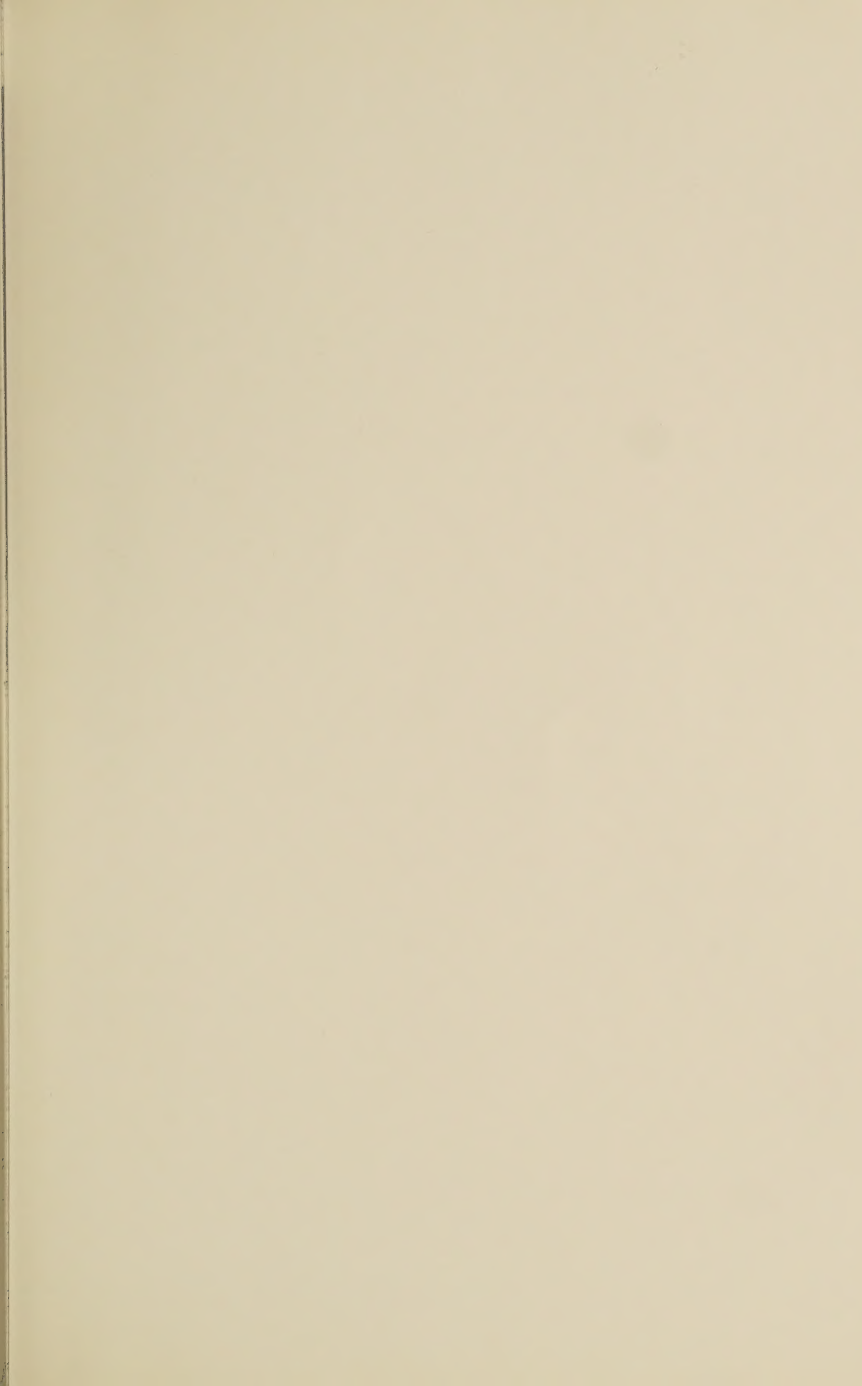

A breed is built by good cattle . . . good people . . . and alert marketing. I have a deep feeling about the role of this sale in our breed's future.

Although I have tried to prepare this catalog so that it would not appear overdone, it is difficult for me to contain my enthusiasm when I am dealing with people and cattle I believe in.

The owners of these cattle are dedicated to the breed. Each has served our state and national associations in numerous capacities. One or more of them have served as presidents of the American Shorthorn Association, American Polled Shorthorn Society, Mississippi Shorthorn Association, Tennessee Shorthorn Association, and the Arkansas Shorthorn Association.

The cattle in this sale are a credit to the breed and will speak for themselves.

**Don Longley,  
The Shorthorn World.**

El Brook Gipsy Maid 18th x . . . 1959 International Champion Polled Shorthorn female. Bred by Ray Peebles & Son. A full sister sells.
